Dear Mr. Mohamed Rayan Laib
Student ID number: 50421682

**** IMPORTANT ****

No tuition/student union fee for the upcoming semester has yet been received in your Montana bank till / under tuition fee account.

This means the necessary confirmation notification for your studies is missing!

Please ensure that you pay your tuition/student union fee by March 31, 2023 at the latest, stating the correct payment reference, otherwise you will lose your admission to the course and be deregistered.

You can view the amount of the tuition/student union fee to be paid and the payment reference in your MU online account under the heading "Tuition Fee Status".

For your information: It takes approximately 3-4 business days from the time of payment for the tuition/student union fee to be credited to the university's account. Only then will the SPO (Curriculum Support) version valid for you in the upcoming academic year, including the necessary course registrations, be activated.

If you transferred your tuition/student union fee some time ago but have not yet received a confirmation email, please contact the Study Support Center.

**** CONCERNS UKRAINIAN STUDENTS ****

We would like to inform you that your tuition fee for the summer semester of 2023 will be waived. Please only pay the student union fee of €95.20.

With best wishes!
